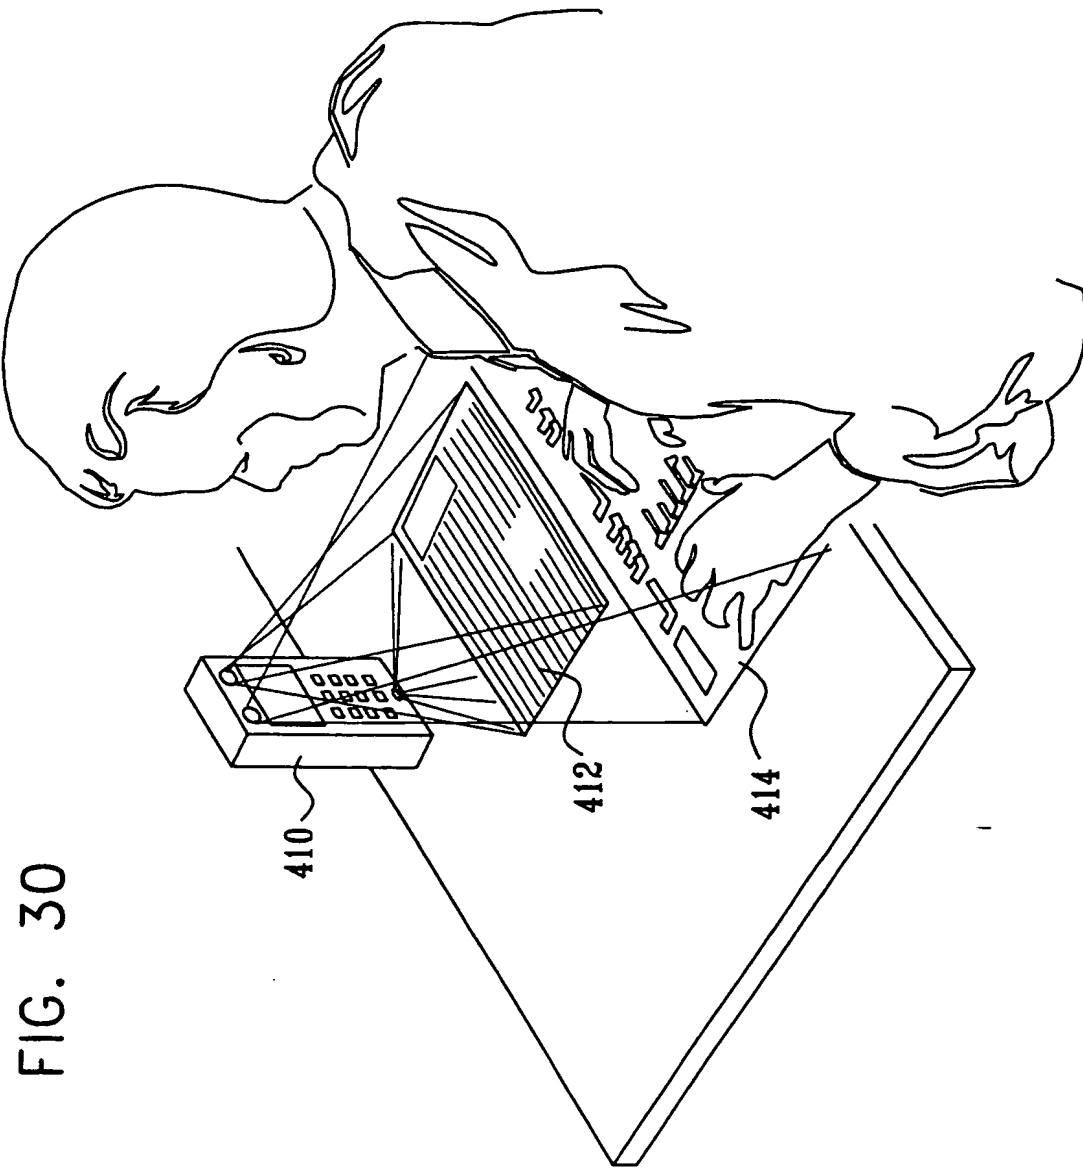

FIG. 30

FIG. 30 is a perspective view of a person interacting with a large, tilted rectangular display. A small, rectangular device (410) is positioned to the left of the display. The device (410) has a grid of small circles on its front face. Lines radiate from the device, projecting a grid of data (412) onto the display surface (414). The display surface (414) is tilted and shows a grid of data. The person's hand is near the top of the display, suggesting interaction.
